125 SQ YARDS MARVEL

This stunning 125 square yard house is perfect for families looking for a spacious and comfortable home. Smart City Larkana has set the bar high in terms of location, luxury and investment potential with this residential project nestled within the prime location of Larkana.

As you enter the house, you are immediately struck by the wide-open spaces and abundance of natural light. The open floor plan allows for plenty of room to move about and entertain guests, while also providing a sense of warmth and openness. The house features 5 bedrooms, each with ample storage space and plenty of room for all your belongings. The bedrooms are split between the upper and lower level of the house, providing a bit of separation from the rest of the living spaces. In addition, there are six bathrooms, making it easy for everyone to get ready in the morning without feeling rushed.

Elevating Lifestyle!

One of the commendable features of this house is its natural ventilation, which helps to keep it cool and comfortable during the hot summer months. In addition, the house is designed to take advantage of the breeze, with windows and doors positioned to allow maximum airflow.

In addition to the bedrooms and bathrooms, the house also boasts a beautiful drawing room and two lounges, providing even more space for relaxation and entertaining. The lounges are the perfect place to gather with friends and family, and the drawing room is the perfect spot for quiet contemplation or reading.

Secure gated community of houses with advanced amenities and security system. The safety and comfort of your family is our priority.
